All materials and tools will be supplied by the artist. We will be working outside on the patio, so please bring a water bottle and sweater. Each class will cost \$45 and will need to be paid at sign up. You will each have a wonderful piece of work to take home.

January 7 DURABLE FLOOR CLOTH by *Barbara Peabody*. Barbara is well known for her brightly painted furniture. Armed with paints and floor canvases, Barbara will reveal her talents to help you create a colorful and useable Floor Cloth.

January 14 TOTEM SPIRIT DOLL making mini workshop with *Gretchen Lima*. Each student will hand sculpt the face, with careful guidance from Gretchen, bake it and paint it. Then using the wovens and totems which Gretchen will provide from her own private stash, you will complete the Totem Spirit doll.

January 21 Charlotte Crawford & Nancy Klapak, Learn to make a basic pair of earrings using a simple wire wrap loop. Once you know the secrets of making a basic loop, you can easily make your own customized earrings at home. You will also make a simple wire wrapped pendant using a round gemstone (a "donut" shape). You can make it simple or have fun adding your own artistic touch. Your teachers will also teach how to make an adjustable cord necklace. You will go home wearing your new wire wrap earrings and pendant. Come join jewelry artists Charlotte Crawford and Nancy Klapak for an afternoon of creative make and take fun! Bring basic jewelry pliers (round nose, needle nose and cutters) if you have them.

January 28 WEAVING GRASSES With *Joyce Hornbacher*. Joyce will give each participant a hands on lesson on weaving a strong fiber into a beautiful and useable form. This is an ancient art that can expand your creativity.
